JOINT SAFETY COMMITTEE REPORT FOR MARCH 2005

The Joint Safety Committee convened on Tuesday, March 8, 2005. The following items were discussed:

Closed Items:

- 1) Slide Shop procedures in place.
- 2) Light covers on Bay 3 taken care of.
- 3) Lights on forklifts and carts operational.

Old Items Still Open:

- 1) Bay 3
 - a. Filler dock on R/H side still in works.
 - b. Stairs on tail dock, this issue is going to APC for resolution.
- 2) HEPA Filter issue was a United issue, but it is being addressed to be put on our work cards.

New Items

- 1) ***The month of March is “Sprains and Strains.”
- 2) ***They need midnight and weekend coverage for the ERT.
Please get hold of KIP or get application on AFW website.
- 3) ***There will be a Health Fair on April 21 with approximately thirty vendors.
- 4) FPI has issues on the way 300 series disks are coming into the shop. Trying to come up with a way to pick up these very heavy disks.
- 5) HAZMAT had a problem tug-pulling a trailer, which, when full, picks up the front of the tug. They are starting to electric tug.
